Title : Regarding the problems faced by the beneficiaries based on ACCC 2011 data.

SHRIMATI PRATIMA MONDAL (JAYANAGAR): Hon. Speaker Madam, thank you for giving me the opportunity to speak in Zero Hour. The Government has drawn up a list of beneficiaries based on SECC 2011 data. As per the data, 13 per cent or 2.37 crore houses have only *kutcha* walls, one room and *kutcha* roof. But, there are a large number of cases where names of persons belonging to the same category have not been entered in this list. On the other hand, in case of beneficiaries whose names have been entered in the list, there have been some deaths and the names of legal heirs or dependents of the diseased have not been entered in the list. There is no provision to enter their names in the list. So, I request the hon. Minister of Rural Development to consider including those eligible persons who have not been included in the list and also to consider including the names of legal heirs of the diseased beneficiaries in the list.
